

Loren Davidson Entertainer – Vocalist – Acoustic Guitarist

For tropical Americana songwriter and entertainer Loren Davidson, simply showing up and playing songs isn't enough. "Playing music about island escapes may seem like a frivolous thing," he says, "but if even one song I do gets someone in the audience to relax a bit, so that when they go home they're not as likely to blow up at the guy in the next lane or yell at their kids, I believe I'm doing something worthwhile."

Loren's melodic voice, acoustic guitar work, musical style, and "keep it fun" attitude inspire and encourage his listeners to escape from stress and enjoy the moment. He has been delighting and entertaining audiences in waterfront bars, sunset sails, parties, and special events of all sizes from California to Key West since 2001 and his five albums of original music not only entertain listeners of Internet and terrestrial radio, but have been included in a number of cable television programs. In 2014, after more than a decade of performing as an "escape artist" in the San Francisco Bay Area, Loren moved to southwest Florida "to be somewhat closer to Paradise."

Take a shot each of country, classic rock, reggae, folk, and calypso, put them in a blender with rum, fruit juices, and ice, mix it all up and serve in a tall hurricane glass with a paper umbrella and a slice of pineapple, and you'll have the flavor of Loren's music. People who enjoy artists like Jimmy Buffett, Kenny Chesney, Jack Johnson, The Eagles, or the Zac Brown Band will enjoy Loren's performances.

As a vocalist, acoustic guitarist, entertainer, songwriter, and recording artist, Loren is the perfect addition to your wedding, party, or corporate event anywhere in or near Florida. He will help you create memorable moments for your event.
